## EXPERIENCE

MBWorks • New York, NY • 2007–Present  
Freelance Graphic | Web Designer

Self employed freelance graphic & web designer offering services in logo/identity development, package design, web design/user interfaces/light programming, flash animations/banners motion graphics, video editing, art direction and digital printing.

Revimage • New York, NY • 2007–2008

Senior Graphic Designer

Extensively involved in the development and design of company's identity and its web sites. Developed visual materials, from banners for web to functional user interfaces. Directed all web work in technologies of Flash/XML/Actionscript 2/XHTML/CSS/JQuery.

Bumlounge • New York, NY • 2006–2007

Senior Graphic Designer

Designed, maintained updates and flash animations for BumLounge's online magazine FRONTBURNER. Verified all front-end visuals to be cross-browser compatible with structured and validated XHTML/CSS for Safari, Firefox and IE 6/7 before delivering to the technology department.

ABCGraphic • New York, NY • 2005–2006

Graphic Designer

Created graphic heraldic crests and emblems for several formats in print and web. Created flash animations/sites and HTML web sites using traditional XHTML table structuring without the use of CSS.

The B-side Project • New York, NY • 2005–2006

Graphic Designer

Created graphic heraldic crests and emblems for several projects in areas of graphic design, fine art/illustration, large-format digital printing, web site development, and art installations.

---
